

# **CONTENTS**

## **1. OVERVIEW OF MANAGEMENT TRAINING AND DEVELOPMENT**

1. Introduction
2. Concept of management training
3. Training function
4. Benefits of management training
5. Characteristics of management training
6. Management training process
7. Systematic management training model
8. Types of management training
9. Models of management training
10. Approaches to management training and development
11. Levels of management training
12. Propositions for management training
13. Stakeholders of management training
14. Training management team
15. Management development
16. Summary
17. Practice questions
18. Activities

## **2. COMPETENCY BASED MANAGEMENT TRAINING**

1. Introduction
2. Concept of competency
3. Competency based training programmes
4. Need and importance of competency based training programmes
5. Purpose of competency based management training
6. Characteristics of competency based management training programmes
7. Paradigm shift in management training
8. Summary
9. Format
10. Practice questions
11. Activities

## **3. ROLES AND RESPONSIBILITIES OF TRAINING MANAGERS**

1. Introduction
2. Structure of training centre
3. Process of role derivation of training managers
4. Role of training managers
5. Competencies of training managers
6. Training of training managers
7. Factor affecting job satisfaction Factors responsible for commitment of trainers

9. Strategies to enhance commitment level of trainers
10. Challenges to training managers
11. Summary
12. Practice questions
13. Activities

#### **4 TRAINING NEEDS IDENTIFICATION**

1. Introduction
2. Definitions of training needs
3. Purpose of training needs identification
4. Approaches to training needs identification
5. Model of training needs identification
6. Methods of training needs identification
7. Selection of methods
8. Design of instruments
9. Compilation of data
10. Interpretation of data
11. Report on training needs
12. Guidelines for conducting training needs identification study
13. Summary
14. Formats
15. Practice questions
16. Activities

#### **5 TRAINING DESIGN**

1. Introduction
2. Concept of training design
3. Training assumptions
4. Design of training
5. Classification of training plans
6. Description of various plans
7. Competency based training plan
8. Guidelines for preparing competency based training plans
9. Design of training implementation plans
10. Concept of training implementation plan
11. Hierarchy of training implementation plans
12. Cluster of competency plan
13. Competency plan
14. Lesson plan
15. Design of training facilitating documents
16. Guidelines for preparing training implementation plans
17. Factors affecting implementation of competency based training
18. Summary

19. Formats
20. Practice questions
21. Activities
22. Management training design

## **6 LEARNING PROCESS**

1. Introduction
2. Concept of learning
3. Adult learners (Management trainees)
4. Learning process
5. Dimensions of learning process
6. Domains of learning
7. Instructional objectives
8. Learning modes
9. Learning styles
10. Some facts about management training programmes
11. Barriers to learning
12. Summary
13. Practice questions
14. Activities

## **7 TRAINING CLIMATE**

1. Introduction
2. Management training climate
3. Characteristics of healthy climate
4. Assess the training climate
5. Strategies to improve training climate
6. Summary
7. Format
8. Practice questions
9. Activities

## **8 FACILITIES PLANNING AND TRAINING AIDS**

1. Introduction
2. Facilities planning during pre-training
3. During training
4. After training
5. Use of training aids
6. Types of training aids
7. Summary
8. Practice questions
9. Activities

## **9 TRAINING MODULE**

1. Introduction
2. Management development module

3. Benefits of use of modules in management training and development programmes
4. Process of developing training modules
5. Guidelines for developing modules
6. Practices in use of modules
7. Composition of module development team
8. Competencies of module development team
9. Summary
10. Format
11. Practice questions
12. Activities

## **10. TRAINING COMMUNICATION**

1. Introduction
2. Concept of communication
3. Characteristics of communication
4. Purpose of communication
5. Elements of communication strategy
6. Types of communication processes
7. Communication model
8. Feedback in communication
9. Barrier to communication
10. Guidelines for defective communication
11. Summary
12. Format
13. Practice questions
14. Activities

## **11. TRAINING METHODS AND TECHNIQUES**

1. Introduction
2. Training strategy

### **11.1 LECTURE METHOD**

1. Introduction
2. Strengths of lecture method
3. Limitations of lecture method
4. Organize lecture
5. Summary
6. Practice questions
7. Activities

### **11.2 TEAM TEACHING**

1. Introduction
2. Need of team training
3. Definition of team training
4. Characteristics of team training
5. Benefits of team training

6. Organizing for team training
7. Summary
8. Practice questions
9. Activities

### **11.3 QUESTION ANSWER**

1. Introduction
2. Learning from question answer
3. Use of question answer method
4. Framing questions
5. Guidelines for conducting question answer
6. Summary
7. Practice questions
8. Activities

### **11.4 LEARNING IN GROUPS**

1. Introduction
2. Types of learning groups
3. Advantages of learning groups
4. Use of groups in learning methods
5. Role of the trainer
6. Use of learning in groups with other methods of training
7. Guidelines for learning in groups
8. Summary
9. Practice questions
9. Activities

### **11.5 BUZZ GROUP**

1. Introduction
2. Size of the group
3. Method of conducting learning group
4. Summary
5. Practice questions
6. Activities

### **11.6 INBASKET**

1. Introduction
2. Development of skills from in-basket exercise
3. Design of in-basket exercises
4. Organizing in-basket exercises
5. Summary
6. Practice questions
7. Activities

### **11.7 PANEL DISCUSSION**

1. Introduction

2. Learning from panel discussion
3. Method of panel discussion
4. Summary
5. Practice questions
6. Activities

#### **11.8 CASE METHOD**

1. Introduction
2. Case study
3. Nature of study from case study
4. Characteristics of case study
5. Guidelines for writing a case study
6. Use of case study with other methods of training
7. Model of case study development
8. Selection of case study
9. Model of enriching learning experiences
10. Guidelines for using case method with other methods of training
11. Evaluation case method
12. Summary
13. Practice questions
14. Activities

#### **11.9 SEMINAR**

1. Introduction
2. Learning from seminars
3. Method of organizing seminar
4. Summary
5. Practice questions
6. Activities

#### **11.10 SYMPOSIUM**

1. Introduction
2. Learning from symposium
3. Method of conducting symposium
4. Summary
5. Practice questions
6. Activities

#### **11.11 ROLE PLAY**

1. Introduction
2. Role playing
3. Learning produced through role play
4. Role play method
5. Types of role play
6. Summary
7. Format

8. Practice questions
9. Activities

#### **11.12 SIMPOSIUM**

1. Introduction
2. Types of simulation
3. Learning through simulation
4. Role of a trainer in organizing simulation
5. Summary
6. Practice questions
7. Activities

#### **11.13 GAME**

1. Introduction
2. Learning from games
3. Definition of a game
4. Designing and conducting games
5. Role of a trainer
6. Summary
7. Practice questions
8. Activities

#### **11.14 FORCE FIELD ANALYSIS**

1. Introduction
2. Steps to use force field analysis
3. Example of force field analysis
4. Summary
5. Practice questions
6. Activities

#### **11.15 ASSIGNMENTS**

1. Introduction
2. Types of assignments
3. Learning produced through assignments
4. Guidelines for designing assignments
5. Use of assignments with other methods of training
6. Summary
7. Practice questions
8. Activities

#### **11.16 ACTION LEARNING**

1. Introduction
2. About action learning
3. Real life situation for action learning
4. Learning produced through action learning
5. Role of the trainer
6. Abilities of a trainer to conduct action learning

7. Action learning process
8. Summary
9. Practice question
10. Activities

## **12 ASSESSMENT**

1. Introduction
2. Concept of assessment
3. Purpose of assessment
4. Process of assessment
5. Characteristics of assessment process
6. Design of assessment tools
7. Method of assessment
8. Involvement of trainees and resource persons in assessment process
9. Certification of competency
10. Assessment guidelines
11. Training of trainers for assessment of learning
12. Summary
13. Format
14. Practice questions
15. Activities

## **13. EVALUATION OF TRAINING**

1. Introduction
2. Definition of training evaluation
3. Purpose of training evaluation
4. Principles of evaluation
5. Framework for evaluation
6. Model of evaluation
7. Method of evaluation
8. Decisions for training management
9. Guidelines for conducting training evaluation
10. Questions for evaluation of competency based training programmes
11. Training of trainers for evaluation
12. Summary
13. Format
14. Practice questions
15. Activity

## **14 MANAGEMENT TRAINING RESEARCH**

1. Introduction
2. Types of research studies
3. Tracer study
4. Research studies in management training and development
5. Reporting writing

6. Summary
7. Practice questions
8. Activities

**15 MANAGEMENT DEVELOPMENT**

1. Introduction
2. Purposes of management development programmes
3. Factors affecting management development programmes
4. Management development process
5. Management development processes
6. Summary
7. Formats
8. Practice questions
9. Activities

**Glossary**

**Students assignments**

**Old question papers**
