OverviewThe Department of Migrant Workers (DMW) was officially established in early 2022. Consequently, several government entities have been merged, while services have become updated and streamlined. The merger has led to several changes in how applications are processed and submitted by migrant workers, including those who wish to apply for DMW eRegistration.The DMW eRegistration, formerly known as the POEA eRegistration, is the new online application form for migrant workers. It is designed to be used by all government agencies that accept applications from migrant workers, including DOLE.The most important thing to keep in mind when applying for DMW eRegistration is that there is no longer a need to visit any office or sub-office of the POEA or DOLE. Instead, applicants can apply online using the DMW eRegistration form. To find out more about the DMW eRegistration form and how to apply for it, read on.What is the Department of Migrant Workers?First, let us look at the newly established Department of Migrant Workers (DMW). Republic Act No. 11641, often referred to as the Department of Migrant Workers Act, established the agency. It was signed by President Rodrigo Duterte on December 30, 2021, and it entered into effect on February 3, 2022. The DMWs mission is to protect the rights and well-being of overseas Filipino workers (OFWs) around the world. Notably, the department was formed by the merger of seven (7) agencies: What is the DMW e Registration Portal?The DMW requires all OFWs, including seafarers, land-based workers, and aspiring overseas workers, to create a DMW eRegistration account. The DMW Online Services Portal has four main sections: (1) eRegistration, (2) DMW HelpDesk, (3) Appointment, and (4) Online Jobfair. DMW eRegistrationThe DMW eRegistration System is, as the name implies, an online registration feature for all OFWs. If you are a first-time candidate, an experienced OFW, or a returning OFW, you must sign up and register on the system (Balik Manggagawa).DMW HelpDeskThe DMW HelpDesk is a one-stop shop for any system-related difficulties. You can alter your registered email address or correct your name/birthdate/gender in the system by clicking Create Ticket below. You can also use it to connect your old POEA records to your new DMW account records.After creating a HelpDesk Ticket, click Inquire Ticket to see whether there have been any updates or responses. Please be aware that one Ticket per person is permitted.Setting Appointments The portals Appointment section allows users to make appointments with the POEA Central Office, Regional Centers, and Satellite Offices. This will allow you to save time and ensure that you and your concerns are addressed at your preferred office location within the hours that you are available. Online JobfairThe DMW holds online job fairs on a regular basis, where prospective OFWs can apply to partner agencies. For event announcements, check the DMWs website or social media accounts periodically.QualificationsWho can apply or register using the DMW eRegistration system? You are eligible to apply if you are: an aspiring OFW; or a current or returning OFW, whether working on land or at sea. You must have the following before registering for the DMW eRegistration system: (a) an active email address, (b) a smartphone, laptop, or desktop computer, and (c) Internet accessFurthermore, check that the following documents are available:Passport;22 Profile Picture/ID Picture (2MB or less);Certificates (Educational/Training Certificates);NBI Clearance;Medical Certificate; andValid IDs (e.g. SSS ID, UMID, OWWA ID, PhilHealth ID, Pag-IBIG ID, Seamans Book, etc.).Benefits of Using the DMW eRegistration OnlineThe main benefit of using the DMW eRegistration form is that it saves time. Instead of traveling to the POEA or DOLE office, applicants can simply fill out an online application form and submit their data to be processed by the government agencies. This new portal on the DMW eReg account, applicants can simply fill out an online application form and submit their data to be processed by the government agencies. This new portal will allow them to receive their registration number to start working in the country as soon as possible.Another benefit of using the DMW eRegistration form is that its more secure. When you register online, your personal data will be encrypted and stored on a secure server so that only authorized personnel can access it. This ensures that nobody else can get their hands on your information and use it for fraudulent purposes. Finally, the DMW eRegistration form is more convenient. Its mobile-friendly, so you can fill it out on your phone or tablet and send your data directly from there. This means you dont need to print anything out or go through the process of submitting an application in person at a POEA office all you have to do is submit an online application, pay the required fees, and wait for your registration number.With all these benefits, youre probably wondering how you can get started with the DMW e-Registration.
